# Overview

The purpose of this photoshoot is to visually document the SAE Leamington Campus and its facilities, from teaching spaces, the awesome students learning to specialist areas such as The Fold.

These images will be used for marketing and communications to help prospective students understand the campus environment and see real examples of student work in situ.

Authentic, well-composed imagery is essential to reflect the creativity and atmosphere of the campus.

# What will you be delivering?

A successful submission will:

- Clearly document the full Leamington Campus, not just individual rooms
- Show all key facilities including classrooms, studios, communal areas, and The Fold
- Capture students actively working on projects within these spaces
- Include a strong mix of wide campus shots and detailed close-ups
- Feel authentic and unstaged, showing the campus in real use
- Be well-lit, well-composed, and consistently edited in line with SAE's brand

Submissions should give a clear sense of what it feels like to study and work at the Leamington Campus.

**Deadline:** Friday 30th January

**Submission:** Once selected and approved for the brief, you will receive a OneDrive upload link from the Marketing team. All final images must be submitted to this folder.

# Brand & Tone

- **Style:** Bright, natural, and authentic
- **Tone:** Welcoming, creative, and professional
- **Visual approach:**
  - Use natural light where possible
  - Capture real activity rather than staged scenes
  - Show the campus in use, with students engaging in learning and creative work
  - Avoid overly posed or stock-style imagery
